**JC34/25                    Projects – Updates and Discussion**

A response from Leicestershire County Council to the Junior Parish Council's letter requesting a pedestrian crossing had been circulated. Sadly it was not had been hoped for, the request was denied mainly due to a lack of available funds. The request will be made again when the new Co-Op store has been built on Church Road as there will be an increased need.

The Junior Parish Councillors were asked to think about new projects they would like to take on. Immediate suggestions included work to stop flooding especially around the ford, and possibly planting trees to help take up the water.

Other matters discussed were the development of the Parish Council app, and the colour of speed cushion markings to enhance visibility.

Councillors agreed to think about new projects before the next meeting.
