

# St Cuthbert's Great Glen Community Pantry November 2024 – News Letter

Throughout the summer holidays we supported families by providing breakfast cereals, honey, jam, peanut butter and squash. These little extras were very well received and replaced almost daily.

The donations at this year's harvest festival services, in both our schools and churches, have been absolutely incredible. We are now very well stocked with a broad range of both essential items and special treats as the winter approaches. Thank you to everyone who contributed for your amazing generosity which means we can confidently support those in need in the months ahead.

## Income Sources - January 2024 to November 2024

As well as the many food donations we have received, our fundraising this year of £1,550 means we expect to be able to refill any gaps on the shelves and keep them full well into next year.

Thank you again to everyone who has supported the Pantry especially our schools, volunteers, donors, and partners. This amazing project only runs because of your help and generosity.

If you would like to join our volunteers and get involved, become a regular supporter through **The Table** or if you just have a question about how you can help then please email [pantry@ggbchurches.co.uk](mailto:pantry@ggbchurches.co.uk)
